

Lighten Up!

Look Radiant, Rain Or Shine

words by Jeremiah J. Shaw photos by Brandon Holley styled by Baranna Baker

It's official. Spring has arrived. Hormones have started to simmer. Skin is bared again after a long winter spent beneath jackets and sweaters. Birds are doing it. Bees are doing it. You're... well, you're taking some time off from relationships to focus on your needs, and that we can't help with. The only protection advice we can offer is that you invest in nice accessories to brighten up your day. Here are some to choose from.
